RE: Commission Staff - Petition for Rule To Show Cause Against TeleConex,
Inc.
Docket No. 2004-277-C

Dear Mr. Terreni:

ORS has recognized that there are several carriers which hold a Certificate of Public Convenience and Necessity in South Carolina and which also may not be compliant with certain portions of the Commission's Rules and Regulations. It appears that a separate hearing on a single carrier may be considered administratively inefficient.

ORS is compiling information on other carriers where a Rule to Show Cause against multiple carriers would be appropriate.

After discussion of this pending matter with our Legal Department, ORS proposes that this Rule to Show Cause be withdrawn.

Sincerely,

James M. McDaniel
